## TEKLANIKA CAMPGROUND INFORMATION

---

Please note the following specific regulations regarding this campground.

- Campground speed limit is 10 mph.
- Park Road travel with a valid Teklanika campground permit is limited to one round trip allowing the vehicle to travel as far as Teklanika Campground and return to the Park entrance. **No additional travel by private vehicle will be permitted.** Further Park travel will be through the Teklanika Pass. This should be purchased in addition to your campground permit when making your reservation.
- If you are driving an RV to Teklanika Campground, dump holding tanks and fill up with fresh water **BEFORE** going to Teklanika. There is a dump station located adjacent to the Riley Creek Mercantile. There are no dumping/filling stations at the Teklanika Campground.
- Do not leave infants or small children unattended. Wolves and bears may be more curious and less intimidated by children.
- Report wolves or bears in or near the campground to the campground host or a ranger immediately.

### WARNING

The following items (new, clean, dirty, empty or full) may **NOT** be left outside or in tent trailers at any time, **DAY OR NIGHT**, unless they are in immediate use! Store items in hard sided vehicles (RV or auto) or in the food storage lockers located near site #22 or #43.

Pet Food / Bowls  
Eating Utensils  
Water bottles

Trash or Trash Bags  
Cosmetics / Toiletries  
Cooking Utensils  
Fuel Containers  
Dog / Children's Toys

## The “TEK PASS”

The Tek Pass is ONLY for campers staying at Teklanika Campground – which requires a minimum three consecutive night stay. Campers driving to the campground are issued a road pass when they check in at the Riley Creek Mercantile. The road pass enables the campers to drive to the campground on the first day, and out the last day. Your vehicle must remain parked until you depart back to the park entrance at the end of your stay.

In order that visitors staying at Teklanika have an opportunity to move around the park, the Tek Pass is available to facilitate travel within the shuttle bus system. The Pass is valid for the length of the Teklanika Campground stay (14-night maximum).

- All campers staying at Teklanika are **STRONGLY RECOMMENDED** to purchase a Teklanika pass. There will not be any opportunity to purchase any shuttle tickets once beyond mile 13 on the park road (the Savage River Check-point), and use of the shuttle bus system is not permitted without a ticket.
- A Teklanika Pass will allow the holder to reserve ONE shuttle bus seat, *for their first full day in the Park* (generally the day after arrival). All subsequent trips, during their stay at Teklanika, will be on a space available basis. Teklanika Passes cannot be used to reserve a seat on a Camper Bus.
- To use your Teklanika Pass, present the original ticket to the bus driver for your first scheduled trip. The bus stop is located just outside the entrance of Teklanika Campground. (Departure time from Teklanika will be approximately 45 minutes after the printed departure time on the ticket for your confirmed seat).
- Teklanika Pass stub holders (i.e. – on day 2 or 3 of your stay) board on a space-available basis only, after those with reserved seats have boarded and if the driver determines that there are seats available. Remember, during peak times, buses may be full once reserved seat ticket holders have boarded. Space-available seats may not be available on every bus, and several buses may pass the bus stop before one will have some seats.
- **Teklanika Pass holders may not use their tickets to travel east of Teklanika Campground (towards the park entrance)**. Once east of mile 13 (Savage River Check-point) the ticket is no longer valid and cannot be used for westbound (into the park) travel on any shuttle or camper bus. Shuttle bus drivers will not stop to pick up eastbound hikers along the road between miles 1 & 20.
- The information desk at the Wilderness Access Center and Denali Visitor Center can also answer any questions you may have after you arrive at the Park.
